SKILL DEVELOPMENT & TECHNICAL EDUCATION DEPARTMENT

NOTIFICATION

The 6th April, 2016

No.2009-II-TTI-29/2016/SDTE.—Whereas, the National Skills Qualification Framework (NSQF), published in the Gazette of Government of India on 27th December, 2013 is a National Framework that aims to integrate general and vocational streams of education and training. The main thrust of the NSQF is to focus on competency-based qualifications. The competency based framework organizes qualification into ten levels with entry level being 1, and the highest level being 10. This framework envisages paradigm shift from learning focused on inputs to an outcome/competency based education with a focus on Recognition of Prior Learning (RPL).

Whereas, from the third anniversary of the date of Notification in the Government of India Gazette, if the training/educational programmes/courses run in any stage are not NSQF compliant, funding from Govt. of India would not be available. The recruitment rules of the Government of India and the Public Enterprises of the Central Government shall also be amended to define eligibility criteria for all positions in terms of NSQF levels.

In view of the above, Government after careful consideration, have been pleased to constitute a Core Committee with the following officials representing different Development Departments conducting Skill Development Training programmes for implementation of National Skill Qualification Framework in the State and also for coordination with National Skill Development Agency.
